

## Team Contract

### Team Members:

Chetan Birthare

Yixin Zhao

Kumar Akshat

Communication: The platform on preferred communication will be Zoom for screen sharing and for normal communication we would be using Signal inside the groups formed for the same.

Meeting Times: After class for a short meeting regarding updates as per the Sprints or anything new that needs to be done inside the project, and on Saturdays as longer meetings. If someone misses the meeting, a prior information would be preferred, so a new one can be scheduled.

Project Platform: The repository ([https://github.com/iaxat/mmis6900\\_project](https://github.com/iaxat/mmis6900_project)) would be used for any update into and regarding the project. The name of the Github repository would be the same as the project.
